

Kooth Online Counselling & Mental Health Service supports young people in North Lanarkshire. We support 10 – 26 year olds, with the 18 - 26 cohort focused on care experienced young people.

We are delighted to inform you that **North Lanarkshire Council** has commissioned the online wellbeing service **Kooth**, a service delivered by Kooth Digital Health. **Kooth is an integral component of North Lanarkshire's mental health provision** offering a digital counselling and emotional well-being service for young people. 1 in 5 children and young people suffer from mental health illness in any given year. At Kooth, we believe every young person has the right to thrive and to access high quality mental health care.

We offer a free, safe and anonymous online Mental Wellbeing Community for young people across North Lanarkshire. **Kooth** is available through smart phone, tablet or computer and features activities, self-help articles, discussion boards and a team of accredited counsellors and emotional wellbeing practitioners who provide guided and outcome-focused support for each individual.

Kooth has no referrals, thresholds or waiting lists. Young people can access this service anonymously by signing onto the **Kooth** site. **Kooth** provides unique out of office hours' provision and is open 7 days per week, 365 days a year. **Kooth** provides added value with moderated, scheduled forums and self-help articles to provide peer led and self-help support.

Kooth helps to reduce waiting times for young people seeking help, removes stigma around mental health and accessing services. **Kooth** integrates with face-to-face local services to ensure a seamless transition for young people.

Kooth will be working in the region to raise the profile of the service with professionals and young people. Please see below for more information.
